MEMORANDUM FOR: Project Security Officer

17 May 1956

SUBJECT : Project Clearance for [REDACTED]

25X1A9a

25X1A9a

1. Project Clearance is requested for [REDACTED] currently assigned to my staff in Administration Building. It is felt that better security is served by making this individual witting due to his physical location with other Project-cleared personnel.

2. While it is not necessary to brief this individual in great detail on substantive matters, it is essential that he be briefed by a member of your staff on the security restrictions applicable to this project.
