

7 December 1954

MEMORANDUM FOR: Lt. Col. Ted Brown, OSD

FROM : Executive Secretary, EDIC

SUBJECT : Transmittal of [REDACTED] Report Evaluation

1. Attached for your distribution to the EDIC members from the three military intelligence agencies are copies of the [REDACTED] report evaluation. I was instructed at the last meeting of EDIC to provide you with these copies.

2. It had originally been anticipated that this subject could be considered at the EDIC meeting scheduled for 9 December. Since these will not reach you in time for their careful examination by the military representatives, it is now unlikely that the paper will be discussed on 9 December.

3. You will recall that Mr. Whitt indicated certain comments on the paper which he would like to bring to EDIC attention. Please feel free to bring up this subject if you think it appropriate but the item is not on the formal agenda. Thanks for your assistance in this distribution.
