MEMORANDUM FOR: Chief, OG/N, S/TF, N/FP,
S/TD, St/CS (info)

FROM : Intelligence Information Staff, OHR

SUBJECT : Contributions to OGI Periodic Requirements List
(PRL) - 1 August - 30 November 1958
Near East and Africa - 1 November 1958 - 28 February 1959

1. Your branch is invited to contribute to the subject PRL.

2. It is expected that a careful formulation of requirements will reduce the volume of OHR contributions and will obviate the repetition of more than a very few items from issue to issue. Therefore, the attached PRL should be used as a guide for format and sequence and not for substantive content.

3. It is requested that each requirement be preceded by a brief background statement which will provide clarity and justify or indicate the current aspect of the requirement. Each question should also be classified separately as has been done in the past.

25X1A9a 4. Please direct your contributions to this staff for the attention of [redacted] (extension 521) in time to reach him by Monday, 13 October 1958.

5. By cooperating with OGI and other Offices in making this periodic list more effective, we hope to improve the response from the field.
