COLL-4

Sanitized - Approved For Release : CIA-RDP62-00680R000100090005-4

*Office Memorandum* • UNITED STATES GOVERNMENTTO : Chief, Geographic Research *RM*

DATE: 21 January 1959

FROM : Chief, Geography Division

SUBJECT: Mapping Requirements

1. In line with your request I visited D/GL Friday, 16 January 1959 and had a most amicable and informative discussion with [REDACTED]

25X1A9a

25X1A9a

2. It soon became apparent that there are no real or important problems between the two divisions; that most past differences have been satisfactorily adjudicated and adjusted; and that any future differences will be handled on a direct basis.

3. The branch most concerned - GG/E - has been apprised of my findings, concurs in them and is looking forward to attending en masse the briefing to be given by D/GL. The branch will be accompanied by [REDACTED]
