Attachment B

LIST AND SPECIFICATIONS FOR CITY PLANS ON SELECTED USSR CITIES

Specifications:

The city plan should meet the same specifications as the base plan and include the following, with word identifications or keyed annotations:

- (1) Street names and street address numbering system;
- (2) Postal zones, boundaries and numbers;
- (3) Major industrial complexes, principal Government buildings (All-Union Republic, oblast, rayon, city);
- (4) Public buildings, (hotels, restaurants, etc.);
- (5) Militia districts (boundaries, official name, and/or number designation);
- (6) Railroad stations and marshalling yards;
- (7) Trolley and tram routes (indicate line numbers);
- (8) Outstanding cultural features, particularly tourist attractions such as museums, libraries, etc., -- including parks and cemeteries;
- (9) Airfields (indicate whether civil, military, or both).
