Attachment 3

Inspector General's Recommendation, Page 32 and 33 (Annex)

- Recommended DCI Action:
- a. Approve
 - b. Approve as modified
 - c. Approve

Inspector General's Statement

a. The Chief, RI Division, in consultation with the CSRC, implement an indexing system for all sensitive documentation.

b. The Chief, RI Division, re-emphasize and enforce the desensitization policies set forth in CSN No. 43-26, and that all [REDACTED] 25X1A2g material be screened by the operating component for inclusion in the index before the material is sent to Archives.

25X1A2g [REDACTED] c. The Chief, Machine Methods Unit, conduct a survey to determine the feasibility of incorporating the sensitive documents function into the [REDACTED] system, and submit his conclusions and recommendations to the DD/P via the CSRC.
