Inspector General's Recommendation, Page 70 (Annex)

Recommended DCI Action: a. Approve  
b. Approve as modified

Inspector General's Statement

a. The DD/P direct that specific positions within each of the divisions and senior staffs, and at selected overseas posts, be designated as registry positions and that they be staffed by personnel assigned by, or fully trained by, the RI Division.

b. The DD/P delegate to the DD/P Records Officer and the Area Division Records Officers the responsibility for the implementation of the preceding recommendation.

DD/P Comment

a. Concur: No further action is considered necessary since RID instituted a program in

ferred from RID to Registry positions at Headquarters and in the Field. Those employees assigned to Registry positions who did not transfer from RID to the Area Divisions were fully trained by RID before departure, unless the time element made it impossible to do so.

b. Concur with modification: Since the assignment and training of personnel are considered command responsibilities of the Area Divisions the DDP/RMO will monitor the implementation of the preceding recommendation and resolve with Area Division Records Management Officers any problems that may arise.
