MEMORANDUM FOR: Chief, Medical Staff

SUBJECT : Commendation

REFERENCE : Memorandum from the Inspector General to Deputy
Director (Support), dated 28 April 1955;
subject: Notice No. 15-240-1, "Polio Vaccine"

1. I want you to know that I am thoroughly pleased to be able to pass on to you the observations of the Inspector General regarding your timely work on the polio immunization program which you and your Staff not only developed but promptly announced to the Agency by the referenced Notice.
2. I am sure that CIA is well in advance of other Government departments and agencies in having a sound immunization program of this sort in so short a time.
3. Please accept my sincere personal thanks for your good work, and extend my appreciation to those of your Staff who worked with you in developing this vital program.
