

RECOMM 7

RECOMMENDATION NO. 7

INSPECTOR GENERAL'S RECOMMENDATION NO. 7

"The reorganization as proposed by the Chief, Medical Staff, which provides for the addition of a central Registrar Unit and an increase in the existing personnel ceiling by nine (9) positions should be approved; the more extensive reorganization proposed by the Management Staff should be deferred pending an increase in the staffing capabilities of the Medical Staff."

SECRET

CHIEF, MEDICAL STAFF, COMMENTS REGARDING RECOMMENDATION NO. 7

The reorganization as proposed by the Chief, Medical Staff, has received the concurrence of the Chief, Management Staff, and appropriate recommendations are being forwarded to the Deputy Director (Support).
