MEMORANDUM FOR: Project Director of Operations

SUBJECT : ELINT Exploitation - System One

Herewith is a memorandum from the Agency ELINT Staff Officer on the difficulties that have been encountered with pre-flight procedures for System One. The memorandum is self-explanatory. I note that you have already sent a cable along the lines suggested by [REDACTED] I pass this along to you in case you want to send along to the Detachment the notes on pre- and post-flight system checks which are attached to this memorandum.
