MEMORANDUM FOR: Special Assistant to the Director for Planning  
and Coordination

SUBJECT: Request for Special Personnel Support  
Project AQUATONE/RAINBOW

REFERENCE: SAPC 17449/R, 11 July 1957

1. I realize the urgent need for the two technicians requested in your memorandum, referenced above. They will be made available immediately.

2. It should be noted that this action will reduce the support by the Office of Communications to other elements of this Agency. I believe it necessary at this time that you and I discuss together, any anticipated additional support for AQUATONE in the future. I request a meeting at an early date.
