This document contains information
relating to Project **CHALICE**

16 September 1958

MEMORANDUM FOR: Contracting Officer, DPS/DCI

THROUGH : Director of Development & Procurement

SUBJECT : "B" Configuration Photography

REFERENCE : Memorandum for SA/PD/DCI from Director, FIG, dated 9 September 1958, Subject: Sequence Printing of "B" Configuration Photography (CHAL-0318)

I concur in Mr. Lundahl's recommendation in paragraph 3. of the reference memorandum. If necessary I would be prepared to obligate CHALICE funds for this purpose if that appears to be appropriate. Since we rather than HTAUTOMAT are responsible for processing, I suppose we should assume the cost. I assume you will discuss the matter with [redacted] to determine the exact cost involved. I would like to have the matter brought to my attention again before action is taken if the cost will exceed \$20,000.
