STATINTL

Dear [REDACTED]

Thank you for giving me the opportunity to discuss commercial intelligence with you during our recent visit.

I am requesting Loring Macy, the Director of our Bureau of Foreign Commerce, to contact you in the very near future so that you may discuss the fullest possible use of information that you might have that could be available upon an unclassified basis. After you have held preliminary discussions, I will hope to talk with you again.

Sincerely yours,

Henry Kearns
International Affairs
