Dear Dick:

25X1A9a

I expect you have already heard from [redacted] about our proposed recruiting visit to the campus on October 19-21. I think I mentioned it to you myself during your visit here but at that time was uncertain about the date. I hope you will have a good crop of prospects for us.

Those of us here in OHR immensely enjoyed having you and your colleagues here even for such a brief stay, and feel we got a lot out of the discussions. I know that you have been sent a letter of appreciation by Otto but thought you might like to hear that the working class shares his views.

I am looking forward with pleasure to the visit to Seattle. Until then, with every good wish

Sincerely,

15/ 25X1A9a
