MEMORANDUM FOR: Registrar, OTR

THRU

Director of Training

SUBJECT

IR, CSR and the Senior Officer Colleges

- 1. I've just received the announcement and schedule of the new Intelligence Review course from C/IS/TR, and I assume the next OTR Bulletin will have something to say about it. In this connection, may I suggest that we project both the Intelligence Review and CSR courses ahead into 1961, with at least the tentative dates for future presentations?
- 2. At the same time, if DTR approves, I suggest that OTR <u>Pulletin</u> recommend that the designees for next year's sessions of the senior officer colleges (NWC, ICAF, Air War College, State's Senior Officer Seminar, etc.) plan to take one or both of these courses, as appropriate, as very helpful if not essential preparation. As recent students have noted, some of our CIA candidates are not sufficiently informed across-theboard on CIA missions, organization, functions, activities and relationships with the Armed Forces.
