15 APR 1963

MEMORANDUM FOR: AFIGO-S
Headquarters USAF

ATTENTION : Colonel Leo P. Geary

SUBJECT : Mil Spec Fuel for Detachment "H"

1. It is requested that 100,000 gallons of drummed Mil Spec Fuel F-25524B be shipped to Detachment "H" to arrive approximately 15 June 1963. The following address should be used:

25X1C

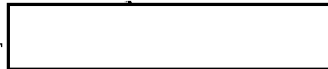

2. Because of the extremely sensitive nature of this fuel, it is requested that the shipper be instructed to use new drums and insure that cap seals are affixed to drum plugs to prevent possible contamination.

3. Please advise date of shipment and ETA
