I wonder if you could assist me in obtaining five copies each of Issues #3, 4, 5, and 6 of the new periodical, Soviet Geography: Review & Translation, published by AGS.

In March, after seeing a copy of the first issue (Vol. 1, No. 1-2, January-February 1960), I and four others at the Agency put in for subscriptions through our regular procurement channels. Through some mix-up in the sending of payment for the subscriptions, we did not receive any further copies until November, at which time we received Issues #7, 8 and 9, and were told that the missing issues (#3, 4, 5, and 6) were not available.

This periodical is of considerable interest to us at the Agency, and I would very much appreciate any assistance you might be able to give us in procuring copies of the missing issues.

Sincerely,
