SA to Ch/G/RR

Training Objectives -- Geographic Research Area

Submitted herewith are the training objectives of the Map Library, Geography and Cartography Divisions of the Geographic Research Area as was requested. Five position classifications are covered in this response:

I. O. Geographer
Librarian
I. O. Cartographer
Cartographer
Cartographic Draftsman

It should be noted that the periods of assignment vary between the different divisions, and in the case of Cartography between the position classifications. In addition, two branches in Map Library list two position classifications each; within the respective Branches the training objectives are identical for both position classifications.
