	3.	At the request of Chet Cooper, I called Mr.
	A. L. Passies, of St	ate Department, on the subject of NIE 13-2-62.
	Peasies indicated that their liaison with the Joint Committee on Atomic Energy. Dana Orwick, was having some difficulty with the Committee staff	
	ever the thet that the	estimate on Chinese Communist nuclear energy programs
	and not been east to	the Committee. I advised Peasise that we had been in
		ittee staff on this subject and while we had not sent
	the authorse the fire	
	the estimate, the Col	mmittee staff had not given us any indication that they
	were upset on this su	ibject. I advised Peasies that the question of the trans-
	were upset on this su mittal of NIE 13-2-62	bject. I advised Peasies that the question of the trans-
	were upset on this su mittal of NIE 13-2-62 had not been reached	ibject. I advised Pearlies that the question of the trans- had been forwarded to the Director and a decision as yet. Peaslee asked if I would pass this information
