OFFICE OF LEGISLATIVE COUNSEL

Thursday - 13 April 1961

25X1 1. [redacted] Talked with [redacted] regarding 25X1
 25X1 Jay Sourwine's request for information and a witness on the [redacted] 25X1
 25X1 [redacted]. While SR has some information on this, they indicate 25X1
 25X1 that an individual or individuals in [redacted] with whom we have 25X1
 25X1 had contact, have more detailed information on this subject. [redacted] 25X1
 25X1 raised the question as to whether we thought a DD/P representative 25X1
 25X1 should be sent to [redacted] to obtain this additional information. I 25X1
 25X1 informed her that we did not want to request SR to do this solely on the 25X1
 25X1 basis of Sourwine's request to us, but if SR Division was interested in 25X1
 25X1 exploiting this case that was a different matter. We discussed the 25X1
 25X1 possibility of referring the Internal Security Subcommittee to the individuals 25X1
 25X1 in [redacted] so that they might collect information on their own. SR 25X1
 25X1 Division will consider this matter further and be in touch with us. 25X1
