Mr. Frederick Dutton
Assistant Secretary of State
for Congressional Relations
Department of State
Washington 25, D. C.

Dear Mr. Dutton:

As I believe you know, the Director recently appeared before the House Foreign Affairs Committee in executive session to brief that Committee on Cuba. During the question period, Mrs. Bolton brought up the subject of possible Communist propaganda flooding Latin American countries through Panama. She then discussed the status of U. S. laws which would permit the confiscation and destruction of this material in the United States. An excerpt from the transcript including this discussion is enclosed.

In view of Mr. McCone's agreement to "pass it along," I am bringing it to your attention for such action as you deem appropriate.

Sincerely,

SIGNED
