MEMORANDUM FOR : Assistant Director, Office of Special  
Activities

SUBJECT : Organization

25X1A

1. Due to activity in connection with the second  
"██████████ Committee" I have not had much opportunity to con-  
sider further our conversation of several weeks ago on  
this topic. At this time it would be academic for me to  
compose a long and wearisome note on this subject; however  
I do feel obligated to respond.

2. After considerable reflection it appears to me  
that I can assist you best in arranging the affairs of  
Office of Special Activities as you view the situation  
by the action taken in the attachment.
