TO IMMEDIATE

INFO

CITE

88

FOR COL LEDFORD FROM GEN STEWART.

25X1A

25X1A

I NOTE THAT MISSION C-245C WAS FLOWN AGAINST TARGETS

25X1A

NORMALLY COVERED BY [REDACTED] OPERATIONS. MISSION C-255C

25X1A

APPARENTLY IS ALSO SCHEDULED AGAINST OTHER [REDACTED] TYPE

TARGETS. I UNDERSTAND [REDACTED] HAS NOT FLOWN AN

OPERATIONAL MISSION SINCE MID-MARCH, BUT DO NOT KNOW THE

BACKGROUND. IS THIS THE REASON BEHIND C-245C AND C-255C

TARGETTING? IF NOT, IT MIGHT BE THAT WE ARE RISKING OUR

DIMINISHING U-2 ASSETS AGAINST TARGETS THAT CAN BE

COVERED WITH OTHER VEHICLES.

PLEASE ADVISE--TELEPHONE RESPONSE IS SUGGESTED IF  
PRACTICABLE.
