MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 15 to Contract No. SC-58 with Lockheed Aircraft Corporation, Project IDEALIST (Air Force)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. SC-58 covers Contractor-furnished aircraft technicians for the Air Force during the period 1 July 1957 through 30 June 1961. Amendment No. 15 to the contract has been drawn to extend the period of performance through 30 June 1962 and to provide additional funds for the extended period subject to the availability of funds for this purpose during the Government's Fiscal Year 1962. The amendment also obligates additional FY-1961 funds.

3. Fiscal Year 1962 "Air Force" No Year Funds, when available, in the amount of [] should be obligated to cover this requirement. This amount represents approximately half the required funding. Also, FY-61 "Air Force" No Year funds in the amount of [] should be obligated. By concurrence to this memorandum the Comptroller signifies that FY-61 funds have been obligated and that the obligation from FY-1962 Air Force "No Year" funds has been noted and will be recorded when funds become available.

25X1A

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
