Subject: Submission of TD 4006C -  
Changing Temperature Sensors to Newer Types  
on 4 "A" Follow-On Systems

Enclosure: (A) Cost Breakdown  
(B) Bill of Materials

Dear Art:

Enclosures (A) and (B) are transmitted herewith for  
your review and evaluation.

FSDS is proceeding to order new temperature sensors  
for installation on the 4 "A" Follow-On Systems in compliance  
with Prime TWX 8352, dated 10/22/63. The Cost Estimate  
reflected in Enclosure (A) covers the cost of replacing the  
existing strip type temperature sensors with Micro Systems  
TE-3D-2000 button type sensors and the necessary T/M  
bridging circuitry.

Upon completion of your review, it is requested  
that a date be established to finalize this effort.

Thank you for your cooperation in this matter.

Very truly yours,

STATINTL

Encs.
