

14 February 1961

Dr. Jerome B. Wiesner  
The White House  
Washington, D. C.

Dear Jerry:

I have your letter of 1 February 1961 and would of course be delighted to serve as a consultant to the President's Science Advisory Committee. This assignment is a particularly welcome one, and I shall look forward to working with your office.

Sincerely yours,

Albert D. Wheelon
