

19 December 1958

Philadelphia Book Company  
22 N. Ninth Street  
Philadelphia 7, Pa.

Dear Mr. Hennessey:

We have referred your request of December 11 for copies of the two translations listed below to the U.S. Department of Commerce, Office of Technical Services.

Unified Dynamics and Thermodynamics of a  
Thermal Plasma H. Maecher Th. Peters

Conference on Problems of Prognostication  
of Conditions of Life and Other Planets,  
N.I. Sidorov

OTS services such requests for translations of technical and scientific articles and papers.

Sincerely yours,

25X1
