as follows:

"Sec. 201. (a) The annual quota of any
quota area shall be the same as that which existed
for that area upon enactment of subsection (f) of
this section: Provided, That the minimum quota
for any quota area shall be two hundred: Provided
further, That beginning with the first fiscal year
commencing after the enactment of subsection (f)
of this section and for each of the four succeed-
ing fiscal years the annual quota of every quota
area shall be reduced by twenty per centum of
its present number for each such fiscal year.
The quota numbers so deducted from quotas of

quota areas shall be added to the quota reserve established by subsection (f) of this section and shall be available for distribution in accordance with the provisions thereof."

"(f) Quota numbers made available at the commencement of any fiscal year as a result of the reduction of the annual quota of any quota areas pursuant to subsection (a) of this section, together with quota numbers not issued or otherwise used during the previous fiscal year, shall then be made available (1) during the five fiscal years following the enactment of this subsection, to quota immigrants, if otherwise admissible under the provisions of this Act, who are unable to obtain prompt issuance of visas due to oversubscription of their quotas or subquotas as determined by the Secretary of State, and (2), thereafter, to quota immigrants if otherwise admissible under the provisions of this Act. These quota numbers shall be allocated within the percentage limitations and in the order of priority specified in section 203 without regard to the quota

to which the alien is chargeable: Provided, however, that the combined number of quota numbers issued to any quota area in any year, under the provisions of this subsection and subsection (a) of this section, shall not exceed ten per centum of the total quota numbers authorized for that year: Provided further, that in no case shall this limitation operate to reduce any quota in any of the five fiscal years following the enactment of this Act by more than the twenty per centum specified in subsection (a) of this section: Provided further, that the President may, after consultation with the Immigration Board, reserve --

(1) Not to exceed thirty per centum of such numbers for allocation to quota immigrants, if otherwise admissible under the provisions of this Act, whose admission is determined by him to be required (A) to avoid undue hardship, resulting from the reduction of annual quotas pursuant to subsection (a) of this section, which is not otherwise avoided under the provisions of this subsection, and (B) in the national security interest of the United States: Provided, That the limitation on immigration from any single quota area in any year included in the first proviso to this subsection shall not apply to visas issued under this clause; and

3 Hungarian

(2) Not to exceed ten per centum of such numbers for allocation to quota immigrants, if otherwise admissible under the provisions of this Act, whose admissions will further the traditional policy of the United States of offering asylum and refuge to persons oppressed or persecuted, or threatened with oppression or persecution, because of their race, color, religion, national origin, adherence to democratic beliefs, or their opposition to totalitarianism or dictatorship, and to persons uprooted by natural calamity or military operations who are unable to return to their usual place of abode. After consultation with the Attorney General, the Secretary of State shall establish by regulation the requirements for qualification within this class, with reference to current world conditions.
