MEMORANDUM FOR : Materiel Branch, DFD-DD/P

SUBJECT : System VII - Procurement of GFE

1. Approval has been granted to proceed with the development of three new R. F. sections for System VII to increase its sensitivity and, consequently, the quality of the resulting telemetry signals. The tuning units to be utilized are the TM-200/APR-13 R. F. tuners.

2. It is requested that three (3) each TM-200/APR-13 R. F. Tuners be procured from the Navy and supplied as GFE to HRS Singer, Inc., for incorporation into System VII.
