MEMORANDUM FOR The Secretaries of the Military Departments
The Chairman of the Joint Chiefs of Staff

SUBJECT: Peacetime Military Support of CIA Operations

- References:
- a. JCSM-496-61, 29 July 1961
 - b. Secretary of Defense Memorandum for the Chairman, JCS, subject: "Military Support of Peacetime Operations of the Central Intelligence Agency (S)," dated 7 August 1961

In accordance with the desires of the Secretary of Defense as expressed in reference b., effective this date all matters involving Department of Defense peacetime support of CIA operations will be monitored directly by this office.

Matters of a routine nature will be handled directly between CIA and established points of contact within the military services. Other CIA peacetime support requirements will be channeled through this office directly to the appropriate service or to the Joint Staff point of contact depending upon the nature of the requirement. In order to provide general guidance to the services and the Joint Staff, the enclosures indicate the channels through which actions normally will be processed and a categorization of anticipated actions.
