DD/S&T-2710-65

7 SEP 1965

Lt. General Joseph F. Carroll
Director
Defense Intelligence Agency
Pentagon
Washington, D. C.

Dear Joe:

At our morning staff meeting I invited the Director's attention to the attached item on Soviet requests for LORAN charts. We were both somewhat concerned about this, but agreed that if any action is to be taken, it should come from the Department of Defense.

Sincerely yours,

Albert D. Wheelon
Deputy Director
