OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 28 May 1969

25X1 1. [REDACTED] In response to a direct request from Senator Stuart Symington (D., Mo.) and, with the Director's approval, Mr. Carl Duckett, DD/S&T, is calling on the Senator this afternoon.

25X1 2. [REDACTED] On the Director's instructions I called Mr. Ed Braswell, on the staff of the Senate Armed Services Committee, and Mr. William Woodruff, on the staff of the Senate Appropriations Committee, to insure that they had passed to Chairmen Stennis and Russell respectively, an item from the Chicago Daily News indicating that Senator Fulbright was about to make a speech on the ABM question based largely on classified information provided by the Agency.

Mr. Braswell had passed this information to Chairman Stennis. Mr. Woodruff said that Chairman Russell had been out of town but he would pass it to the Chairman upon his return tomorrow.

25X1 3. [REDACTED] Mr. Roland Paul, Counsel for the Symington Subcommittee of the Senate Foreign Relations Committee which has been looking into U.S. overseas installations, called to request an Agency briefing preparatory to a trip which he and his colleague, Mr. Walter Pincus, plan to make to the Far East. Mr. Paul said they will be leaving about 25 June and would like the briefing sometime during the week of 16 June. They plan to visit Japan, Okinawa, Korea, Taiwan, Thailand, Laos, and the Philippines and would like about a one-hour briefing on each, covering mainly political and security problems and including a prognosis of future developments. They will also receive briefings from State and Defense, but would like to get a fairly full picture from the Agency even though it might duplicate some of the things which they might hear from other agencies. They will come to Headquarters for the briefings and will hope to complete them on the same day.

Mr. Paul will call again in mid-June to set a firm date and arrange further details.
