You asked what the attached OSI memorandum is all about--this is in response to the [REDACTED] study on DDS&T intelligence collection requirements in which he made certain recommendations and requested comments. OSI has forwarded its comments which are contained in Para. 10 to the effect that they see no need for a major change in requirements procedures as recommended by [REDACTED] study. I have attached a copy of the [REDACTED] report. Please return it to the Registry if you have
