MEMORANDUM FOR

Vice Admiral Rufus L. Taylor
Deputy Director, CIA

Subject: National Aeronautics and Space Council Meeting

The Vice President has scheduled a one-hour Council meeting for 3:00 P.M. on May 22. It will be held in Room 213 of the Executive Office Building.

As I discussed with you on the telephone today, the Vice President would like to have on the agenda a summary report of Soviet space activity. It is hoped that such a report could be presented in 20 to 25 minutes and that it could be handled at no higher than Top Secret level.

If there are further inquiries about the arrangements and what is expected in this report, I would appreciate being contacted at my office (Code 103, Ext. 3300).
