Dear Dr. Guthe:

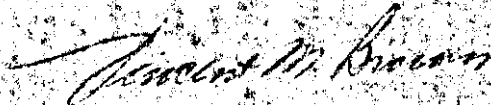

Recently you sent us an atlas of maps of the Transmission Pipelines for Natural Gas in the USSR. This compendium of information is particularly well done and thoroughly detailed.

ER 63-3

We certainly appreciate having this material and will find it of great assistance in work now being conducted by our reconstituted Committee on the Impact of Oil Exports from the Soviet Bloc (1963).

Thank you for making this available to the Council.

Cordially yours,

Vincent M. Brown
