OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 4 November 1970

25X1 1. [redacted] Miss Peggy Murphy, Administrative Assistant  
to Representative Bertram Podell (D., N. Y.), called on behalf of a  
personal friend of the Congressman who wanted to pass information to the  
Government, presumably while he is temporarily abroad. Based on the  
25X1 fragmentary information known to Miss Murphy and a discussion with  
[redacted] DDP, I recommended to Miss Murphy that she get in touch with  
Mr. William Dyees, on the Czech desk, Department of State, and to contact  
us again if this did not suffice [redacted]

25X1

25X1 2. [redacted] Messrs. Woodruff, Braswell, and Preston of  
the Agency subcommittee staffs spent the morning at Headquarters where  
they were briefed by the Director and Chief, FE Division on the situation  
in Southeast Asia and discussed with other Agency officers the effect of the  
Fulbright amendment on Agency projects in that area. See Memorandum for  
the Record.

25X1 3. [redacted] Al Tarabochia, Senate Internal Security  
Subcommittee staff, called and asked if we could identify a publication titled  
"Directory of Personalities of the Cuban Government. Official Organizations  
and Mass Organizations." dated June 1970. Mr. Tarabochia indicated that  
it was his understanding that the book is unclassified. If available they  
would very much appreciate a copy for private use of the Subcommittee staff.  
Office of DDI has been advised.

25X1 25X1A 4. [redacted] Talked to [redacted] DC/WH, who  
gave me a general defensive briefing on present conditions in Chile for use  
in briefing Mr. Garner J. Cline, Counsel, House Judiciary Committee, who  
will be traveling this week to Chile with members of the Committee.

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 3 November 1970

1. (Internal Use Only - JMM) Talked to Ed Braswell, Chief of Staff, Senate Armed Services Committee, who said Senator Stennis had definitely gotten the message of the Director's call the week before last, but Braswell will remind Stennis when he is in touch with him in the next day or two that the Director still hopes to have a word with him, at least by phone, in the near future.

2. (Internal Use Only - JMM) Called Ed Braswell of Senate Armed Services Committee, Frank Slatinshek of House Armed Services Committee, and Ralph Preston of House Appropriations Committee, to set up a meeting at Headquarters tomorrow to discuss our problems in Southeast Asia in view of the Fulbright Amendment. Slatinshek is unavailable but the others, together with Bill Woodruff of the Senate Appropriations Committee, will meet with us at 9:30 a. m. tomorrow.

3. (Internal Use Only - JMM) Richard G. Capen, Jr., Assistant to the Secretary of Defense for Legislative Affairs, and General James F. Lawrence, his deputy, visited Headquarters for lunch with Messrs Houston, [redacted] and me. During our conversation Capen was interested in when the Director had seen or would see Senator Russell, remarking that Secretary Laird wanted to see the Senator as soon thereafter as possible.

4. (Unclassified - GLC) Miss Judy Hoffman, on the staff of Senator Gaylord A. Nelson (D., Wis.), called to say that [redacted] had called their office referring to several Newsweek articles about CIA soldiers of fortune and said he wanted to contact the Agency about a job with us. I told Miss Hoffman that [redacted] should be disabused of the "soldiers of fortune" notion and merely suggested that they tell him that if he is interested in regular employment with CIA, he write to our Director of Personnel.
