11. (Confidential - GLC) Victor Zafra, OMB, called regarding our retirement package and suggested that we consider proceeding with only our quota provision this year. See Memo for Record.

12. (Internal Use Only - LLM) Robert Horner, House Internal Security Committee staff, called to ask if we could provide any material in the public domain coming out of Algiers on the Black Panthers for inclusion in Committee hearings to be printed later this year. I said that I did not know if we could provide him anything other than the [redacted] books which he already receives, but that I would check and be back in touch. 25X1
