7. (Internal Use Only - JMM) Mr. Kenneth BeLieu, Senate Liaison for the White House, returned my earlier call and I told him of our activities in connection with the Ervin bill (S. 782). I mentioned the fact that Messrs. Hampton and Modello, of the Civil Service Commission, shared our concern, that Mr. Houston and I were hoping to see Senator Ervin in the next few days, and I would also be seeing Representative Henderson. Mr. BeLieu said he would like to hear from us further after we talked to Senator Ervin.

25X1 8. (Confidential - JMM) Mr. Drury Blair, Senate Immigration Sub-  
committee staff, called to confirm that Senator Hartke's bill granting permanent residence to [redacted] has not been introduced this session, and that [redacted] was apparently trying to achieve permanent residence through "administrative" procedure. Mr. Blair said if we wished to pursue the matter further, we should get in touch with Immigration and Naturalization Service.

Mr. Blandford was most appreciative and indicated that it would be included in the Sea Power Subcommittee reference file for their guidance.

Mr. Blandford advised that he is working with the Chairman during the day on the organization of the various special subcommittees and that the CIA Subcommittee, in all probability, will continue as it was constituted for the brief hearing on the Pueblo on January 6.

Mr. Blandford was very interested in, and personally in accord with the Agency determination that Agency documents, such as the NIS's, not be furnished to committees of Congress. He also indicated his appreciation for being advised of this determination since there is the ready possibility that such a question would come to the attention of the Chairman. See Journal item of 12 February 1969.

I briefed Mr. Blandford on East German travel restrictions to Berlin, the Soviet collective leadership question, a limited Soviet ground forces demobilization, anticipated Soviet space activities and present assessment of
