7. Mrs. Shaffer, in the office of Representative G. William Whitehurst (R., Va.), called on behalf of a constituent who, in connection with his desire to fight in Indochina as a mercenary, wanted to know where he could file his application and the effect this might have on his citizenship. I referred her to the <u>Department of State</u> on the citizenship question and explained that the inquiry probably had been prompted by a news item which was erroneous as far as we were concerned. She seemed satisfied but commented that she knew of some unusual recruiting among the OCS class. now at Quantico.

9. Frank Slatinshek, Assistant Chief 25X1 Counsel, House Armed Services Committee, asked if one of us could stop by tomorrow to pick up a report on which the Committee had conflicting information and I said we would do so.
