MEMORANDUM FOR: Members of the Publications Requirements Study Group

SUBJECT : Partial Draft of the Study of Agency Publication Requirements and Capabilities

1. Attached is a partial draft of the Study of Agency Publication Requirements and Capabilities. The lack of a standard format, the use of imprecise terms, etc. are a product of haste and will be cleared up in the final draft.

2. We are still hoping to include some cost estimates on the EPIC system and perhaps on a possible system for automating the publishing of [redacted]. We also hope to include some discussion of the validity of the distribution list for the [redacted].
