MEMORANDUM FOR THE RECORD

DATE

24 FEB 72

SUBJECT

Reprint of 1965 Correspondence HB.

FILE NUMBER

RITA:

[redacted] has been approached by DDS+T with a request for 150 copies of his 1955 Copy of the Correspondence Handbook -

25X1A9A

I have asked him to reject that request and if he must provide something perhaps the 1965 "yellow" ^(good?) Cover revision would serve their needs. Please pull a copy and let's discuss to see if it is current enough or needs a new revision for DDS+T.
