As a further supplement to the DDP/RMO evaluation, the DDP/Deputy RMO says they like the present system and do not believe there is a problem.

The DDI evaluation makes sense with respect to identifying this as a recommendation and not a regulation. Perhaps in your efforts to streamline correspondence and records, you will get most everyone voluntarily to agree that only the office of origin number be used.

We will probably close this case now but will not be surprised if some aspects of the total proposal are adopted within two (2) years. If such occurs, as you know, the originator will be eligible for award consideration.
