1. On 15 December, undersigned accompanied [ ] [ ] (DDP/NARCOG) and [ ] (OLC) to the Rayburn Building for a meeting with Messrs. Brady and Boyer, Staff Aides to the House Committee on Foreign Affairs. The purpose of the meeting was to review the proofs of the B and B Survey Report. This turned out to be a marathon session which lasted over four hours.

2. B and B were amenable to suggested additions, deletions and changes in their report as they related to the Central Intelligence Agency role in combating international narcotics trafficking. They agreed to include a statement indicating that the survey team found no evidence to support allegations of CIA involvement in narcotics trafficking.

[ ]  
Brady insisted that his statement was an accurate reflection of his discussions with [ ]. After considerable discussion, Brady was persuaded to substitute "country team" for "U. S. Intelligence Officials" thus, eliminating the most embarrassing (to FE) passage in the report.

3. A considerable period of time was devoted to "helpful suggestions" which were solicited by B and B. Most of these factual errors had been pinpointed by the recent NARCOG/FE session devoted to the B and B report. Generally, B & B accepted our "helpful suggestions" and professed gratitude for our assistance in helping them complete their overdue report.

4. B and B also asked that we help them in preparing three maps that will be included in the report. We agreed to do so.

5. B and B continue  to be very complimentary of CIA efforts to date. This was a serious and prolonged session but a congenial atmosphere prevailed throughout. My impressions of B and B are that both are hard working and hard nosed individuals who could be formidable foes. I believe the cooperation and assistance rendered to B and B by Headquarters and field personnel for this survey was time well spent.
