Mr. Al Tarabochia furnished to me for Agency review a copy of a log which was kept by an American fisherman who had recently observed the movement of Cuban fishing boats. Mr. Tarabochia said he would be pleased to provide further assistance in this matter if desired.

10. (Unclassified - PLC) Mr. Arthur Kelly, from the Rochester office of Representative Frank Horton (R., N. Y.), called in behalf of a constituent who inquired as to how he could contact a representative of the Agency. I provided Mr. Kelly the Washington, D. C. address and suggested that Mr. Kelly advise the constituent to write the Agency and indicate the nature of his interest. If it was for employment, the Agency would handle the necessary follow-up. Mr. Kelly asked for and was given the name and address of the Agency recruiter who covers his area. He asked for this information since he receives a number of such inquiries and was most appreciative.
