OFFICE OF LEGISLATIVE COUNSEL

Thursday - 7 October 1971

1. (Internal Use Only - LLM) Met with Jean Harmon, Personal Secretary to Representative Joel T. Broyhill (R., Va.), concerning the Congressman's inquiry on behalf of an Agency employee who claims to have received unfair treatment by the Agency. I told Mrs. Harmon that we had received the Congressman's inquiry, that we merely wished to assure the Congressman that the facts of the case are being investigated, and that hopefully we will have a reply early next week, which she said would be fine. She also said that the Representative had spent some time with the individual and had personally dictated the letter of appeal to the Agency's Director of Personnel.

2. (Internal Use Only - LLM) Met briefly with Representative Jack Kemp (R., N. Y.) who said he would try to get together sometime next week to discuss the possibilities of arranging for an Agency briefing for himself and some of his congressional friends.

3. (Confidential - LLM) Met with Mrs. Nash, in the office of Senator Warren Magnuson (D., Wash.), and based upon the material supplied by  closed out her inquiry to us on behalf of  who alleges that the Agency has information bearing on her husband who was downed in Vietnam in September of 1966.

4. (Unclassified - LLM) Miss Brown, in the office of Senator Jennings Randolph (D., W. Va.), called and asked if we were hiring. I explained that the situation is very tight at the present. Miss Brown said she had the resumes of two recent PhD graduates in the field of genetics and I said we would be happy to review the resumes and let her know the results, which she asked us to do.

it is his understanding that the [ ] matter relating to overpayment  
of combat pay during the period [ ] and others served with the Agency  
has been resolved within the Department of Army. Until he hears further

7. (Confidential - JGO) Met briefly with Mr. Charles Ducander,  
Executive Director and Chief Counsel, House Committee on Science and  
Astronautics, who told me that Chairman Miller was quite satisfied with  
last week's briefing. Mr. Ducander noted in passing that he was somewhat  
surprised that the Chairman had requested a briefing before going off on  
this particular trip to Europe. Chairman Miller is not expected to return  
to the city until late this month. Mr. Duckett has been advised.

8. (Internal Use Only - JGO) Met briefly with Representative  
Melvin Price (D., Ill.) who gave me his personal apologies for not  
attending the Intelligence Subcommittee briefing on Monday. He noted that  
as much as he would have enjoyed the Agency briefing, the long weekend and  
celebrations in Italy were very enjoyable. He expects that the Subcommittee  
will be coming out again and he will be with them at that time.

9. (Internal Use Only - JGO) Met briefly with Representative William  
Bray who told me that the Intelligence Subcommittee of House Armed Services  
had had a good meeting this morning with Ray Cline at State Department and  
he expects that they will continue these meetings as rapidly as possible with  
the various elements of the intelligence community. Mr. Bray very much
