MEMORANDUM FOR: Assistant to the Director

SUBJECT : Address at Landon School

1. On the morning of 10 April I addressed about 200 students and staff members of the Landon School in Bethesda, Maryland. The address was arranged through, and approved by, the Executive Director-Comptroller.

2. The subject of the talk was "CIA and the U. S. Intelligence Community." The talk was the same as the talk given on 21 March to the Essex (N. J.) Catholic High School group at the Mayflower Hotel. A copy of the outline of that talk is in your files.
