Truths Obyious

To the Editor of The Post-Standard:
Lyman B. Kirkpatrick, Jr.,
inspector general on the staff
of the director of the Central
Intelligence Agency, stated in
testimony given before the Sub-
committee of the Senate com-
mittee on the Judiciary, that
"The international Communist
organization provides a train-
ing manual for espionage
agents in which their duties
are enumerated." This pocket-
sized pamphlet was seized in
Europe. "Let me paraphrase
the tasks assigned to agents in
the countries of the free world."

"First, make investigations
report on the activities of the
police and security services."

"Second, investigate and re-
press those security organiza-

tions which support the govern-
ment."

At this time Mr. Sourwine,
council for the committee,
asked Mr. Kirkpatrick, "Would
that task include action against
such organizations as CIA, the
FBI, and even this sub-com-
mittee and the House Com-
mittee on Un-American Activi-
ties?"

To which Mr. Kirkpatrick
answered, "I would assume
so."
