HARVARD BUSINESS SCHOOL

FOIAb3b

Boston 63, Massachusetts

RELEASE: ON RECEIPT

25X1A9a

BOSTON

will graduate Saturday, May 12 from the 3rd session of the Program for Management Development at the Harvard Business School. 25X1A9a

and Administrative Officer of the Central Intelligence Agency in Washington.

The Program for Management Development brings young executives from approximately 28 to 37 years of age, with five to ten years of experience, back into the classroom on a full-time basis for sixteen weeks. Each participant in the PMD is sponsored by his company, and a wide range of industrial concerns from this country and abroad are represented, as well as men from the government and military.
