Pittenger experience covers many problems

John C. Pittenger, Democratic candidate for the state legislature from the City of Lancaster, is a graduate of Harvard Law School and a well-known local attorney. He served in the armed forces for three years and also served as an intelligence officer with the Central Intelligence Agency.

His experience in community affairs and activities has given him a deep understanding of local problems. He helped his father operate a 335 acre tree farm in Lancaster County. Among his community activities, John Pittenger has been vice-president of the Family and Children's Service, a volunteer worker at the Lancaster Boy's Club, on the Board of Directors of the Lancaster Opera Workshop and past chairman of the Citizen's Committee on Recreation. He gained

great governmental and administrative experience as a member of the Pennsylvania Bar Association's Education Subcommittee on Constitutional Revision.

ACTIVE CAMPAIGNER

Jack Pittenger has conducted the most active campaign seen in this area for many years. He is a willing and energetic speaker, never missing an opportunity to bring his views to the public. His interest in the electorate and their individual problems stimulated his desire to run for public office. With this as his goal, "Pitt" has pledged himself to unflagging public service. Certainly, the name Pittenger has become familiar to every Lancaster resident.

John Pittenger has taken a clear stand on the important issues at both state and local levels. As an attorney, he realizes the important role government plays in promoting public welfare. His platform includes educational advancement for Lancaster, through

initiation of state scholarships and support of the recommendations of the Governor's Committee on Education. Fully convinced that government should be truly representative, "Pitt" favors legislative reapportionment and constitutional revision.

John Pittenger has promised to represent faithfully the wishes of all Lancaster. Devoted to the principles of our democratic system, John Pittenger will insure that Lancaster's voice will be heard.
