Dr. Stranges To UFO Club

Dr. Frank E. Stranges, D.D., president of the International Evangelism Crusades, Inc., Palo Alto, Calif., will speak on the "Flying Saucer Mystery" at Drexel Hall, Linwood and Baltimore, in Kansas City, at 3 p.m. Sunday.

Dr. Stranges, author of "Flying Saucerama" and "My Friend From Beyond Earth," and former special investigator, is a member of the "National Investigations Committee" Washington, D.C. He accompanies his lectures with colored slides gathered from all over the world, and has obtained evidence from the Air Force as well as from the Central Intelligence Agency concerning the validity of the Flying Saucers.

Dr. Stranges received his doctor of divinity degree in 1956 at the Church School of Theology in New Hampshire.

This lecture is sponsored by the U.F.O. Study Club, a non-profit, non-political and non-sectarian organization established to present personalities and authorities in the field of UFOlogy. There will be a donation at the door. The public is welcome.
